

THIS WEEKEND, MAY 19 & 20: HAPPY PENTECOST!

THERE ARE A FEW THINGS GOING ON THIS WEEKEND DURING MASSES.

- 1) The biggest thing event is that we're celebrating the birthday of the Church with a Pentecost Party after the Sunday Masses. Stop by for food and activities for all ages to get you in the 'Spirit' of the day!
- 2) Make sure you bring back your bottles (filled!) for the 'Baby Bottle Campaign' to benefit InnerVisions Clinic. (Some of you may even have the bottle you picked up last year—return that too!)
- 3) If you wish to help with VBS, stop by their display and see what items are needed. Hard to believe it will be here in less than a month!
- 4) Members of the Hospitality Committee are on hand to register newcomers to the parish and answer questions. Stop by and see them!
- 5) Make sure you get a bulletin. Inside you'll find out our schedule for Memorial Day weekend, invitations to all sorts of parties and events plus a special flyer on what's being offered at Vacation Bible School—'for Adults only'. Intrigued? Better check it out!

AND GOING ON AROUND OLIH THIS WEEKEND—

- 1) We send our congratulations and best wishes to Kelli Mostek & Taylor Friauf as they begin their married life together.
- 2) We also congratulate Chloe Olson, Camron Rinker and Ben Shafer as they celebrate their upcoming graduations with grad parties this weekend.
- 3) Lady's-2-Luke's Bike Walk Run gathers on the south plaza at 12:30 before heading out to Weigel Drive. Just a little over 4 miles—a nice stretch of the legs!
- 4) Middle School Ministry will have outdoor games, pizza and bible study from 6-8 pm. Meet in the Youth Room.

THIS UPCOMING WEEK:

- Monday is Senior Potluck for all those 55 years and older. Gather at 5 pm for social hour. It's very DIY—bring your own everything and a dish to share.
- Tuesday the bible study on Ephesians has its last meeting.
- Baccalaureate will be held at Lutheran Church of Hope on 36th Street for all our graduating seniors. Reception begins at 7:00 pm with the service beginning at 7:30 pm.
