Imagine...

...entering a new space and being greeted by a welcoming hostess

...a decorated table setting on a porch, near a fireplace, in a formal dining room, or even on the floor with pillows

...drawing in a deep breath and smelling the wonderful scents of fresh, gourmet tea and scones, pastries, or other delectable delights

...glancing around to glimpse other ladies like yourself, filled with anticipation and excitement about what's to come next

In our hectic, hurried lives, we need to pause, take time to relax, reflect, and delight in the pleasure of sharing time with others.

Each monthly gathering includes:

- an icebreaker activity to get acquainted
- light snacks to nibble, perfectly paired with specially selected teas
- teatime trivia of interest
- guided discussion chosen to nurture conversations and foster friendships
- a closing prayer or reflection to nourish your spirituality
